Renovations and extensions, built properly.

Sunshine Coast locals with 20+ years of experience, helping homeowners create more space, more light and more value in the homes they already love.

01 / ABOUT US

Local builders who treat your home like our own.

MZ Building Services is a Sunshine Coast building company with over 20 years of experience, specialising in renovations and extensions. We help homeowners make the home they already own work better for the way they live, with more space, better flow and finishes that last.

From the first conversation to the final handover, we focus on clear communication, honest pricing and quality workmanship. You will always know what is happening on site, what it costs and what comes next.

20+

YEARS IN BUSINESS

Caloundra to Noosa

AND SURROUNDS, PROUD SUNSHINE COAST LOCALS

WHAT YOU CAN EXPECT

Clear communication

One point of contact and regular updates, so you are never left guessing.

Transparent pricing

Detailed, itemised quotes with scope and inclusions agreed upfront.

Quality workmanship

Careful detail from framing to finishing, built to last in coastal conditions.

Respect for your home

A tidy, safe site and minimal disruption, even while you are living there.

02 / WHAT WE DO

Renovations and extensions, done well.

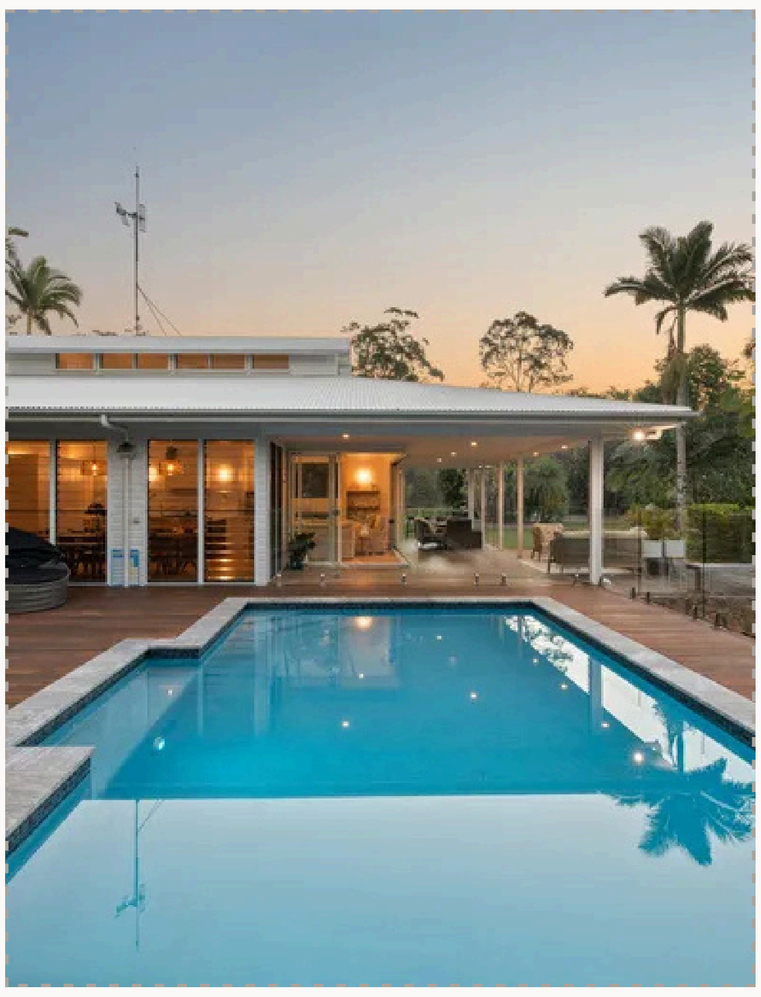

We focus on two things and do them properly. Whether you want to refresh what you have or add space you do not, we manage the whole build.

Renovations

Give your home a new lease of life, from a single room to a full transformation.

- Kitchens
- Bathrooms and laundries
- Whole-home updates
- Layout changes and open-plan living

Extensions

Add the space your family needs without leaving the street, the school or the neighbours you love.

- Rear and side extensions
- Second-storey additions
- Master suites and extra bedrooms
- Indoor and outdoor living spaces

03 / HOW IT WORKS

A simple process, from first call to final handover.

Building work should not be stressful. Here is what working with us looks like, so you know what to expect at every stage.

01

Initial consultation

We visit your home, listen to your ideas and talk through your budget, timing and what is possible.

02

Plans and quote

We work with your designer or draftsperson and provide a clear, itemised quote with no surprises.

03

Approvals and contract

We guide you through council and certifier approvals, and put scope, price and timeline in a written contract.

04

Construction

Our team builds to schedule with regular updates and one point of contact from start to finish.

05

Handover and aftercare

We walk through the finished project together, tick off every detail and stand behind our work.

04 / PAST PROJECTS

Recent work we are proud of.

A selection of renovations and extensions completed for Sunshine Coast homeowners.

RENOVATION / Noosa North Shore

Noosa North Shore

An extensive internal renovation covering the kitchen, dining and living areas, bedroom and bathrooms, including the ensuite and main bathroom. The updates refreshed the home’s interior, improved functionality and created a more modern, cohesive living space.

RENOVATION / Marcoola

Marcoola

This internal renovation included upgrades to the kitchen, dining area and main bathroom. A fresh, considered approach and quality finishes helped create a more cohesive and inviting interior.

RENOVATION / Mudjimba

Mudjimba

This Mudjimba renovation focused on creating practical, comfortable living spaces with a fresh, cohesive finish. The project reflects MZ Building Services’ commitment to quality workmanship and thoughtful attention to detail.
